David Cotterrell: Grind

Venue: Studio Apart, Amsterdam
Curators: Allard van Hoorn
Date: 7th December 2006
Co-exhibitors:

Ultralab, DaanNoppen, Allard van Hoorn.

Grind was an exhibition that researched underlying layers of our contemporary society. Four different artists / groups abstracted our common perception and preconceived notions of contemporary life and bend, reconstruct and dismantled them into a palette of new experiences. Grind was an exhibition of installation, photography and new media works.
