

David Cotterrell: New Partners Award

Awarding Body: Arts and Business

Date Awarded: 31st March 2004

Award granted to facilitate enhanced collaboration with Barco Europe.

Barco Europe had already established themselves as a collaborative partner in the development of the Underworld project for the Unicorn Theatre. The integration of LED-based screens (rather than traditional rear-projection systems) made it possible to develop a day-light running new media work within the glass walled foyer of the children's theatre.
