

David Cotterrell: Travel and Production Award

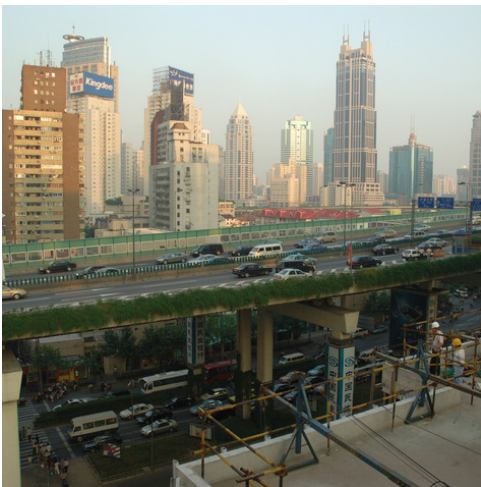

Awarding Body: British Council

Date Awarded: 31st March 2006

Date Completed: 1st September 2006

Production and Travel Award to present work for Shanghai Biennale

This award was offered subsequent to the completion of an extended Artist Links China residency. It enabled the shipping of works from the UK to China and the production of additional components for inclusion within the British Council off-site pavilion to the Shanghai Biennale. Specifically the works *South Facing* and *RoadRunner* were supported through this grant.
