David Cotterrell: Frieze : Tatton Park Biennial 2012

Frieze Magazine
ISSN 977062067014 / Issue 149
Date: 1st September 2012

...Sited in adjacent woodland, the cosmic theme continues with David Cotterrells mesmerizing planetarium, In Other Worlds, I Love You. Data streams supplied by the nearby Jodrell Bank astrophysics centre project images of deep space onto the interior of an enigmatic walk-in sphere, revealing an ancient galactic history. Appearing like some interplanetary vessel, Cotterrells project exudes far more conviction...
