

David Cotterrell: A People's History of Pakistan

Writer: David Cotterrell

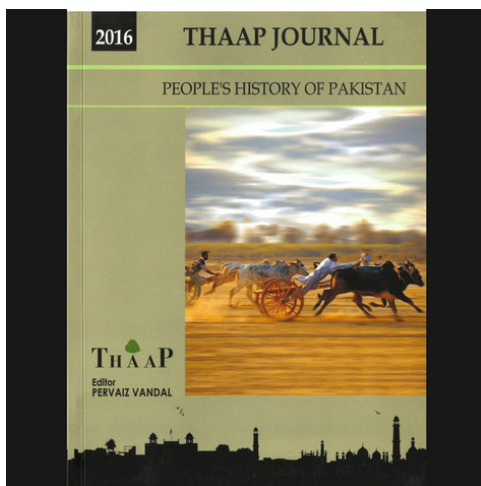

Editor: Pervaiz Vandal

Publisher: THAAP

Pages: 291 (B&W)

An anthology of papers, essays and articles following the International Conference convened by the Trust for History Architecture and Art of Pakistan (THAAP). The contribution of a presentation to this conference and subsequent chapter to this publication were key moments in the identification of a new area of research that informed a range of future art, theatre and literary projects.

A copy of the chapter, 'Empathy & Risk : A Personal Response to Managed Engagement' may be downloaded [here](#)
